Farmers & Merchants Bancorp (FMCB) Authorizes a New \$55 Million Share Repurchase Program

The existing \$25.0 million share repurchase program approved in November 2023 has been terminated.

The Company has utilized a share repurchase program for many years. Share repurchases provide an important tool for managing capital levels, improving shareholder returns through the concentration of ownership, and providing additional liquidity for shareholders to sell shares. This new program provides the opportunity to repurchase additional shares over the next two years and highlights the Company’s strong financial performance and capital position.

The Company’s tier 1 leverage capital ratio was 10.66% at June 30, 2024, while the common equity tier 1 ratio (CET1) was 13.09% and the total capital ratio was 14.58%, resulting in the highest possible regulatory classification of “well capitalized”.
